

THE ANGLICAN CHURCH IN NORTH AMERICA

CONSTITUTION AND CANONS

As ratified by the Provincial Assembly, June 2009
and amended by the Provincial Assembly, June 2012

THE CONSTITUTION OF THE ANGLICAN CHURCH IN NORTH AMERICA

PREAMBLE

In the Name of God, the Father, the Son and the Holy Spirit, Amen.

We are Anglicans in North America united by our faith in the Lord Jesus Christ and the trustworthiness of the Holy Scriptures and presently members of the Common Cause Partnership.

We know ourselves to be members of the One, Holy, Catholic, and Apostolic Church.

We are grieved by the current state of brokenness within the Anglican Communion prompted by those who have embraced erroneous teaching and who have rejected a repeated call to repentance.

We repent ourselves of things done and left undone that have contributed to or tolerated the rise of false teaching, and we humbly embrace the forgiveness that comes through Christ's atoning sacrifice.

We are grateful for the encouragement of Primates of the worldwide Anglican Communion who gathered at Jerusalem in June 2008 and called on us to establish a new Province in North America. We affirm the Global Anglican Future Conference (GAFCON) Statement and Jerusalem Declaration issued 29 June 2008.

We believe that this Constitution is faithful to that call and consistent with the Historic Faith and Order of the Church, and we invite the prayers of all faithful Anglicans as we seek to be obedient disciples of Jesus Christ our One Lord and Savior.

ARTICLE I: FUNDAMENTAL DECLARATIONS OF THE PROVINCE

As the Anglican Church in North America (the Province), being a part of the One, Holy, Catholic, and Apostolic Church of Christ, we believe and confess Jesus Christ to be the Way, the Truth, and the Life: no one comes to the Father but by Him. Therefore, we identify the following seven elements as characteristic of the Anglican Way, and essential for membership:

1. We confess the canonical books of the Old and New Testaments to be the inspired Word of God, containing all things necessary for salvation, and to be the final authority and unchangeable standard for Christian faith and life.
2. We confess Baptism and the Supper of the Lord to be Sacraments ordained by Christ Himself in the Gospel, and thus to be ministered with unfailing use of His words of institution and of the elements ordained by Him.
3. We confess the godly historic Episcopate as an inherent part of the apostolic faith and practice, and therefore as integral to the fullness and unity of the Body of Christ.
4. We confess as proved by most certain warrants of Holy Scripture the historic faith of the undivided church as declared in the three Catholic Creeds: the Apostles', the Nicene, and the Athanasian.

5. Concerning the seven Councils of the undivided Church, we affirm the teaching of the first four Councils and the Christological clarifications of the fifth, sixth and seventh Councils, in so far as they are agreeable to the Holy Scriptures.
6. We receive The Book of Common Prayer as set forth by the Church of England in 1662, together with the Ordinal attached to the same, as a standard for Anglican doctrine and discipline, and, with the Books which preceded it, as the standard for the Anglican tradition of worship.
7. We receive the Thirty-Nine Articles of Religion of 1571, taken in their literal and grammatical sense, as expressing the Anglican response to certain doctrinal issues controverted at that time, and as expressing fundamental principles of authentic Anglican belief.

In all these things, the Anglican Church in North America is determined by the help of God to hold and maintain, as the Anglican Way has received them, the doctrine, discipline and worship of Christ and to transmit the same, unimpaired, to our posterity.

We seek to be and remain in full communion with all Anglican Churches, Dioceses and Provinces that hold and maintain the Historic Faith, Doctrine, Sacraments and Discipline of the One, Holy, Catholic, and Apostolic Church.

The Book of Common Prayer as set forth by the Church of England in 1662, together with the Ordinal attached to the same, are received as a standard for Anglican doctrine and discipline, and, with the Books which preceded it, as the standard for the Anglican tradition of worship. Until such time as a Book of Common Prayer for use in this Province has been adopted, all authorized Books of Common Prayer of the originating jurisdictions shall be permitted for use in this Church.

Section 2 -

It is understood that there is a diversity of uses in the Province. In order to use these rich liturgies most advantageously, it is the responsibility of the Bishop with jurisdiction to ensure that the forms used in Public Worship and the Administration of the Sacraments be in accordance with Anglican Faith and Order and that nothing be established that is contrary to the Word of God as revealed in the Holy Scriptures.

Canon 3 *Of the Due Celebration of the Lord's Day*

All members of this Church are called to celebrate and keep the Lord's Day by regular participation in the public worship of the Church, by hearing the Word of God read and taught, by partaking of the Sacrament of Holy Communion and by other acts of devotion and deeds of charity, according to God's holy will and pleasure.

Canon 4 *Of the Administration of the Dominical Sacraments*

2. It is normative that baptized children and adults be presented to the Bishop for Confirmation.

TITLE II

Section 2 - *Concerning Christian Formation*

All Clergy shall take care that all within their cures are instructed in the doctrine, sacraments, and discipline of Christ, as the Lord has commanded and as they are set forth in the Holy Scriptures, in the Book of Common Prayer, and in the Church Catechism.

Lay persons may be appointed to assist the Clergy in various tasks of worship to further the ministry of the Word and Sacrament.

Canon 7 Of Christian Marriage

Section 1 -

The Anglican Church in North America affirms our Lord's teaching that the Sacrament of Holy Matrimony is in its nature a union permanent and lifelong of one man and one woman.

Section 2 -

It shall be within the discretion of any member of the Clergy to decline to solemnize any marriage.

TITLE II

Section 3 -

Members of the Clergy of this Church shall conform to the Canons of this Church governing the solemnization of Holy Matrimony.

1. Both parties shall be baptized. Any exception to this requires the permission of the Bishop;
2. There shall be thirty (30) days notice of intention to marry unless waived for weighty reasons, in which case the Bishop shall be notified immediately and in writing;
3. The Clergy shall provide counsel to both parties on Holy Matrimony with respect to theological and social implications and responsibilities;
4. The Clergy shall ascertain that the man and woman, parties to the marriage, have a valid marriage license.

Section 4 -

As marriage is a lifelong covenant between a man and a woman in which the two become one flesh, it is both an ordinance of Creation, affirmed as such by our Lord, and commended by Saint Paul as a sign of the mystical union between Christ and His Church (Matthew 19:3-9; Ephesians 5:22-32). Therefore, the failure of a marriage is always a tragedy. Scripture acknowledges our fallen nature and does provide guidance to know when a marriage may be declared a nullity or dissolved and allows the possibility of a subsequent marriage in certain circumstances (Matthew 19 and 1 Corinthians 7).

1. Couples who request to be married by a member of the Clergy of this Church must have approval from their Bishop if either party has ever been divorced;
2. When a divorced person seeks permission to remarry, the Clergy must ascertain the pertinent facts concerning a declaration of nullity or termination of marriage; and in the absence of a declaration of nullity, forward such information to the Bishop in writing for his godly advice and consent;
3. The Diocese is responsible to create a process by which this discernment may be made with reasonable promptness.

Section 5 -

1. No Clergy knowingly, after due inquiry, shall solemnize any marriage if they have unresolved concerns regarding the following impediments:
 - (a) Consanguinity and affinity as defined in the 1662 Book of Common Prayer;
 - (b) Mistaken identity;
 - (c) Absence of the capacity for free and intelligent choice;
 - (d) Bigamy, evidence of sexual perversion or conviction of a sexually related crime;
 - (e) Fraud, coercion, abuse or duress.
2. Any declarations of nullity may only be granted by a Bishop with jurisdiction and shall be based upon Scriptural principles including the foregoing impediments to marriage.

TITLE II

Section 6 -

The Clergy shall require the parties to sign the following declaration:

“We, A. B. and C. D., desiring to receive the blessing of Holy Matrimony in the Church, do solemnly declare that we hold marriage to be a lifelong union of husband and wife as it is set forth in the Book of Common Prayer. We believe it is for the purpose of the procreation (if it may be) of children, and their spiritual and physical nurture, for mutual fellowship, encouragement, and understanding, and for the safeguarding and benefit of society, and we do engage ourselves, so far as in us lies, to make our utmost effort to establish this relationship and to seek God’s help thereto.”

Section 7 -

In all cases marriages shall be solemnized according to the forms contained in an authorized Book of Common Prayer, or other rite authorized by the Bishop.

Section 8 -

The Clergy shall record in the Parish register the name, age, and residence of each party. Such record shall be signed by the member of the Clergy, the married parties, and at least two witnesses.

Canon 8 Of Standards of Sexual Morality and Ethics

Section 1 -

Clergy and lay leaders of this Church are called to be exemplary in all spheres of morality as a condition of being appointed or remaining in office.

Section 2 -

In view of the teaching of Holy Scripture, the Lambeth Conference of 1998 and the Jerusalem Declaration, this Church upholds faithfulness in marriage between a man and a woman in lifelong union, and believes that abstinence is right for those who are not called to marriage, and cannot legitimize or bless same sex unions or ordain persons who engage in homosexual behavior. Sexual intercourse should take place only between a man and a woman who are married to each other.

Section 3 -

God, and not man, is the creator of human life. The unjustified taking of life is sinful. Therefore, all members and clergy are called to promote and respect the sanctity of every human life from conception to natural death.

Section 4 -

The Church is called upon to show Christ-like compassion to those who have fallen into sin, encouraging them to repent and receive forgiveness, and offering the ministry of healing to all who suffer physically or emotionally as a result of such sin.

TITLE III

Persons shall be admitted to the office of Bishop, Presbyter or Deacon in this Church, and allowed to exercise any of these offices, who have been called, examined, and ordained according to an authorized ordinal of this Church, or ordained in some church whose orders are recognized and accepted by this Church.

Section 2 - *Concerning Canonical Obedience to Those in Authority*

Any person who has received authority to be a Presbyter or Deacon in any Diocese of this Church owes canonical obedience in all things lawful and honest to the Bishop of the Diocese, and the Bishop of each Diocese owes canonical obedience in all things lawful and honest to the Archbishop of this Church. In the absence of a Bishop, a Presbyter or Deacon owes such obedience to the Ecclesiastical Authority of the Diocese or to the Ecclesiastical Authority of a Diocese-in-Formation.

Section 3 - *Concerning the Domicile, Transfer, and Permission to Function of Presbyters and Deacons Generally*

In order to function as a Presbyter or Deacon one must be under the episcopal authority of the Bishop of a Diocese (that Diocese being one's "Domicile"). No member of the Clergy shall function in any Diocese other than the one in which the member of the Clergy is domiciled within the meaning of this section without written permission from the Ecclesiastical Authority of the Diocese in which the member of the Clergy desires to officiate. Permission to function as a Presbyter or Deacon in a Diocese other than one's Domicile may be granted by the Bishop of such other Diocese. Transfer of one's Domicile to a different Diocese may be granted by the Bishop of such other Diocese upon consent of the Bishop of one's own Diocese. A Diocese may adopt canonical provisions not in conflict with these Canons concerning such Transfers or Permissions.

(1 Timothy 3:4-5, 12; Titus 1:6).

Section 5 - Concerning Upholding the Sanctity of Marriage Especially for Those to Be Ordained

Marriage as a lifelong covenant between a man and a woman, where the two become one flesh, is both an ordinance of Creation, affirmed as such by our Lord, and commended by Saint Paul as a sign of the mystical union between Christ and his Church (Matthew 19:3-9; Ephesians 5:22-32). As wholesome examples and patterns to the entire flock of Christ, all married persons to be admitted to Holy Orders shall remain married to their spouse for life, and in accordance with the vows they exchanged in Holy Matrimony. Subject to Section 6 of this Canon, no person shall be admitted into Holy Orders who has divorced and remarried.

Section 6 - Concerning Pastoral Exceptions to Section 5

The Archbishop of this Church, on an application made to him by the Bishop sponsoring a person who by reason of Section 5 of this Canon could not otherwise be admitted into Holy Orders may, upon a showing of good cause and particularly in light of the exceptions in Matthew 19 and 1 Corinthians 7, remove the impediment imposed by that section to the admission of the

TITLE III

person into Holy Orders. Pastoral exceptions may be made in accordance with the directions given from time to time by the Archbishop acting in consultation with the College of Bishops.

Section 3 - *Concerning Length of Diaconate*

1. We recognize the importance of the Vocational Diaconate as an essential and historic ministry of the Church.
2. A Transitional Deacon shall not be ordained to the office of Presbyter for at least one year, unless the Bishop having jurisdiction shall find good cause for the contrary, so that the Deacon’s manner of life and ministry may be tested and observed before admission to the order of Presbyter.

Canon 4 Of Presbyters and Their Ordination

Section 1 - *Concerning Ordination Following Period of Diaconate*

No person shall be ordained a Presbyter in this Church until that person shall have been ordained a Deacon.

9. *The Missionary Work of the Church*: How the Gospel has been passed from one language, tribe and nation to another; basic principles of cross-cultural communication; mission strategies; and personal relational evangelism and apologetics.

Section 3 - Concerning the Required Declaration of Ordinands

No Deacon shall be ordained a Presbyter in the Church until the Deacon shall have subscribed the following declaration:

"I do believe the Holy Scriptures of the Old and New Testaments to be the Word of God and to contain all things necessary to salvation, and I consequently hold myself bound to conform my life and ministry thereto, and I do solemnly engage to conform to the Doctrine, Discipline and Worship of Christ as this Church has received them."

Canon 5

Of Ministers Ordained in Jurisdictions not in Communion with this Church

Section 1 - Concerning Application for Holy Orders in this Church

Section 2 - Concerning Pre-Ordination Requirements

If such ministers furnish evidence satisfactory to the Bishop for eligibility for ordination pursuant to Canons 2 through 4 of this Title, they shall be examined on the points of Doctrine, Discipline, Polity and Worship in which the Jurisdiction from which they have come differs from this Church, and any other subject which the Bishop deems necessary and appropriate.

TITLE III

When a Minister ordained in a Jurisdiction by a Bishop of the Historic Succession but not in communion with this Church desires to be received as a member of the Clergy of this Church, the person shall comply with Sections 1 and 2 of this Canon. Thereafter, being satisfied of the person's theological qualifications and successful completion of the examination specified in Canon III.3.1 and soundness in the faith, the Bishop may, with the advice and consent of the Standing Committee or its equivalent:

Section 1 - *Concerning Requirements for Bishop According to Holy Scripture*

A Bishop is called by God and the Church to be a shepherd who feeds the flock entrusted to his care. A Bishop is an overseer of the flock and as such is called to propagate, to teach, and to uphold and defend the faith and order of the Church willingly and as God wants him to – not greedy for money, but eager to serve; not lording it over those entrusted to his care, but being a wholesome example to the entire flock of Christ (1 Peter 5:2-3). These requirements are in addition to the requirements set forth in Canon 2 for Deacon (1 Timothy 3:8-13) and for Presbyterian (1 Timothy 3:1-7; 5:17; Titus 1:6-9).

TITLE III

Section 2 - *Concerning the Ministry of Bishops*

By the tradition of Christ's One, Holy, Catholic, and Apostolic Church, Bishops are consecrated for the whole Church and are successors of the Apostles through the grace of the Holy Spirit given to them. They are chief missionaries and chief pastors, guardians and teachers of doctrine, and administrators of godly discipline and governance.

Section 3 - *Concerning Criteria for the Episcopate*

To be a suitable candidate for the episcopate, a person must:

1. Be a person of prayer and strong faith;
2. Be pious, have good morals and exhibit Godly character;
3. Have a zeal for souls;
4. Have demonstrated evidence of the fruit of the Holy Spirit;
5. Possess the knowledge and gifts which equip him to fulfill the office;
6. Be held in good esteem by the faithful;
7. Be a male Presbyter at least 35 years old;
8. Have demonstrated the ability to lead and grow the Church.

Section 4 - *Concerning the Election of Bishops*

1. Bishops shall be chosen by a Diocese in conformance with the constitution and canons of the Diocese and consistent with the Constitution and Canons of this Church.
2. An electing body from the Diocese shall certify the election of a Bishop for consent by the College of Bishops, or may certify two or three nominees from which the College of Bishops may select one for the Diocese. The latter practice is commended to all Dioceses in this Church.
3. Where the originating body is newly formed, that body shall normally nominate two or three candidates, from whom the College of Bishops may select one.
4. Consent or choice and consent shall require the affirmative vote of two-thirds of the membership of the College of Bishops present and voting, which consent must be given within 60 days of certification and in writing. For purposes of the election of Bishops at a meeting of the College, a quorum shall be a majority of the active members of the College.
5. Upon the consent or choice of a Bishop-elect by the College of Bishops, the Archbishop shall take order for the consecration and/or installation of such Bishop.
6. In the event the Bishop-elect or the nominees are rejected by the College of Bishops, the College shall so inform the originating body in writing.

Section 5 - *Concerning the Required Declaration at Consecration*

No Presbyter shall be consecrated a Bishop in the Church until he shall have subscribed the following declaration:

"I do believe the Holy Scriptures of the Old and New Testaments to be the Word of God and to contain all things necessary to salvation, and I consequently hold myself bound to conform my life and ministry thereto, and I do solemnly engage to conform to the Doctrine, Discipline and Worship of Christ as this Church has received them."

TITLE III

Section 6 - *Concerning Bishops for Special Mission*

Bishops for Special Mission are Bishops elected by and serving directly under the College of Bishops for a specific missionary purpose. The office of any Bishop for Special Mission shall be created in consultation with the Executive Committee. Any male Presbyter of this Church qualified by these Canons may be elected as a Bishop for Special Mission by the College of Bishops. The College of Bishops may certify two or three candidates, from whom one may be elected by the affirmative vote of two-thirds of the College.

Section 7 - *Concerning Bishops Coadjutor and Bishops Suffragan*

With the consent of the College of Bishops, a Diocese may commence the process of election of a Bishop Coadjutor or Bishop Suffragan. Such election is subject to the approval of the College of Bishops as described in Section 4.

TITLE IV

Ecclesiastical Discipline

Canon 1

Of the Nature of Discipline in the Church

The Church has its own inherent right to discipline the faithful who commit offenses. Penalties are established only insofar as they are essential for repentance, reformation, and ecclesiastical discipline and order.

Canon 2

Of Charges against Bishops, Presbyters, or Deacons

The following are the charges or accusations on which the Archbishop, a Bishop, a Presbyter, or a Deacon in this Church may be presented:

1. Apostasy from the Christian Faith;
2. Heresy, false doctrine, or schism;
3. Violation of ordination vows;
4. Conduct giving just cause for scandal or offense, including the abuse of ecclesiastical power;
5. A conviction by a court of competent jurisdiction for felony or other serious offenses;
6. Sexual immorality;
7. Acceptance of membership in a religious jurisdiction with purpose contrary to that of this Church;
8. Violation of any provision of the Constitution of this Church;
9. Disobedience, or willful contravention of the Canons of this Church or of the constitution or canons of the Diocese in which he holds office;
10. Habitual neglect of the duties of his Office;
11. Habitual neglect of public worship, and the Holy Communion, according to the order and use of this Church;
12. Willful refusal to follow a lawful Godly Admonition.

A Godly Admonition is a written directive from a Bishop with jurisdiction to a member of the Clergy under his jurisdiction. Such admonition shall not be issued until the Bishop shall have met personally with the member of the Clergy – unless for valid reason the Bishop shall have delegated such meeting to another Bishop – and the issues have been clearly and fairly discussed. The written admonition shall be specific concerning the matter complained of and the canonical or theological basis for the complaint, and shall provide a reasonable time for the required action to be taken.

TITLE IV

Canon 3 Of Presentments of Presbyters and Deacons

Section 1 - Concerning Accusations

An accusation of conduct believed by the accuser(s) to be in violation of Canon IV.2 may be brought against a Presbyter or Deacon. The accusation(s) shall be in a writing that contains the facts supporting the allegations of wrongdoing and shall be signed and sworn to by the accuser(s) and delivered to the Bishop. If the Bishop deems the accusation(s) not to be frivolous, he shall cause an investigation to be made by a canonical investigator. During the pendency of the investigation, the details of the accusation(s) and the investigation shall be maintained in appropriate confidence.

Section 2 - Concerning Voluntary Submission to Discipline

At any time after the receipt of an accusation(s), the accused may confess to the truth of the allegation(s) and submit to the discipline of the Church.

Section 3 - Concerning Canonical Investigation

1. Each Diocese shall appoint a canonical investigator to ascertain the merit of the accusations and make a recommendation to the diocesan authority as to whether further juridical process should be pursued.
2. (a) No presentment shall be made or conviction had for any offense under Canon IV.2 unless the offense shall have been committed within five years immediately preceding the time of the presentment. Such time may be extended by written permission of the Archbishop.
(b) For any offense covered by Canon IV.2.5, a presentment may also be made at any time within one year after such conviction.

The accused shall be entitled to notice of an ongoing investigation and to have the aid of counsel or an agent and may submit his defense in writing. The presenters also may be aided by counsel, and be represented by any agent they may appoint.

If it is determined by the diocesan authority that a trial should occur, then a presentment shall be prepared and procedures followed according to the norms of ecclesiastical law.

Each Diocese shall have a person (lay or ordained) appointed by the Bishop for the drafting of presentments and the presentation of the same before the diocesan trial court.

Each Diocese shall appoint an advisor to assist the Presbyter or Deacon who is the subject of an accusation and his or her counsel or agent. The advisor shall be knowledgeable in canon law and shall be available to advise the Presbyter or Deacon and his or her counsel or agent on issues relating thereto. All such advice as shall be given shall be confidential to the accused and his or her counsel or agent.

Section 4 - Concerning Requirements for Presentment

1. When, after investigation of an accusation, the diocesan authority has determined that the matter should proceed forward, Articles of Presentment shall be prepared and personally served upon the Presbyter or Deacon against whom the accusation has been made.
2. The Articles of Presentment shall be made in a writing signed by a representative of the diocesan authority, wherein shall be specified all particulars of time, place, and circumstances alleged.

TITLE IV

Canon 4 Of Presentments of Bishops

Section 1 - Concerning Requirements for Presentment

A Bishop may be charged under Canon IV.2 by three Bishops of this Church with jurisdiction, or by not fewer than ten Presbyters, Deacons, or adult baptized members of this Church in good standing, of whom at least two shall be Presbyters. One Presbyter and not fewer than six lay persons shall belong either to the Diocese in which the alleged offense was committed or to the Diocese in which the Bishop is canonically resident. Such charges shall be in writing, signed and sworn to by all the accusers and shall be presented to the Archbishop, the Archbishop's delegate, or the College of Bishops. The grounds of accusation must be set forth with reasonable certainty of time, place and circumstance. The charges shall be referred to the Board of Inquiry.

Section 2 - Concerning Response to Rumors

Whenever a Bishop shall have reason to believe that there are in circulation rumors, reports, or allegations affecting his personal or official character, he may, with the consent of two other members of the College of Bishops, demand in writing of the Archbishop, the Archbishop's delegate, or the College of Bishops, that investigation of such rumors, reports and allegations be made.

Section 3 - Concerning the Board of Inquiry

The Archbishop upon receipt of a presentment under Section 1 or of a demand under Section 2 shall select a Board of Inquiry of five Presbyters and five adult baptized members in good standing, none of whom shall belong to the Diocese of the accused, of whom eight shall form a quorum, and refer the matter to it.

Section 4 - Concerning the Process of Inquiry

The Board of Inquiry shall investigate such rumors, reports, or charges, as the case may be. In conducting the investigation, the Board shall hear the accusations and such proof as the accusers may produce, and shall determine whether, upon matters of law and fact, as presented to them, there is ground to put the accused to trial.

Section 5 - Concerning Testimony and Confidentiality

The testimony to the Board of Inquiry shall be recorded and transcribed and shall be preserved in the archives of the College of Bishops. The proceedings of the Board as to the investigation of rumors shall be private; provided however that if the Board determines that the rumor is unfounded it shall issue to the requesting Bishop a written statement to that effect.

Section 6 - Concerning the Findings of the Board of Inquiry

If in the judgment of two-thirds of the Board of Inquiry there is probable cause to present the accused Bishop for trial for violation of Canon 2 of this Title, it shall make a public declaration to that effect.

Canon 5 Of Courts, Membership and Procedures

Section 1 - Concerning Courts for the Trial of a Presbyter or Deacon

1. In each Diocese there shall be an ecclesiastical Trial Court for the trial of any Presbyter or Deacon subject to the jurisdiction of that Diocese.

TITLE IV

2. It shall be the duty of each Diocese to provide by canon for the establishment of such court and the mode of conducting trials in the same.
3. In case of conviction by the Trial Court, the Bishop shall not proceed to sentence the accused before the expiration of thirty days after he shall have been served with notice of the decision of the court, nor in case an appeal is taken shall sentence be pronounced pending the hearing and determination thereof.

Section 2 - *Concerning Courts for the Trial of a Bishop*

1. There shall be a Court for the Trial of a Bishop, whose jurisdiction shall be limited to proceedings against a Bishop of this Church arising under these Canons.
2. The members of this Court shall be three Bishops who are members of the College of Bishops, two Presbyters, and two adult confirmed members in good standing. The members of this Court shall be elected by the Provincial Council, each Order electing its representatives by majority vote of that Order. An equal number of alternate members of this Court shall be elected in the same manner, and such alternate(s) shall serve in the event of a vacancy on the Court or the recusal of a member of the Court. The term of each member of the Court shall be three years or until a successor is elected and qualified.
3. The senior Bishop in date of consecration shall be the President of the Court. The Archbishop shall also appoint a legal advisor to the Court who shall be trained in canon law, and a prosecutor, also trained in canon law, to bring and prosecute presentments when necessary.

Section 3 - *Concerning the Court of Extraordinary Jurisdiction*

1. There shall be a Court of Extraordinary Jurisdiction, whose jurisdiction shall be limited to proceedings either:
 - (a) referred by Bishops of this Church who have oversight of Clergy canonically attached to other Anglican Provinces or Dioceses in those cases where such Provinces or Dioceses have waived their jurisdiction in favor of the Court of Extraordinary Jurisdiction; or
 - (b) in which a member of the Clergy who is amenable to presentment under these canons is attached to a Diocese not possessed of a trial court. Cases may be referred to the Court of Extraordinary Jurisdiction by the Bishop under whose authority the accused serves.
3. The members of this Court shall be three Presbyters, three adult confirmed members in good standing, and one Bishop, appointed by the Archbishop. The President of the Court shall be elected by the members of the Court. The Archbishop shall also appoint a legal advisor to the Court who shall be trained in canon law, and a prosecutor, also trained in canon law, to bring and prosecute presentments when necessary.

Section 4 - *Concerning the Provincial Tribunal*

1. There shall be a Provincial Tribunal as provided in the Constitution of the Church. The Provincial Tribunal shall serve: (1) as a court of review in the case of a conviction after trial of a Bishop, Presbyter, or Deacon; and (2) as a court of original jurisdiction: (a) to determine matters in dispute arising from the Constitution and Canons of the Province; (b) to hear and decide disputes between Dioceses; and (c) to issue nonbinding advisory opinions on issues submitted by the College of Bishops, the Provincial Council, or the Provincial Assembly.

TITLE IV

2. The Provincial Tribunal shall consist of seven members who shall be appointed by the Provincial Council. At least two members shall be Bishops; the senior Bishop in date of consecration shall serve as the President of the Court. At least two members shall be lawyers, knowledgeable in canon and ecclesiastical law.

Section 5 - Concerning Appeal

1. An appeal may be made within thirty days of the decision of a Court for the Trial of a Presbyter or Deacon, the Court for the Trial of a Bishop, or the Court of Extraordinary Jurisdiction. The appeal shall be made in writing to the Bishop who is the Presiding Officer of the Provincial Tribunal, stating the nature of the case and the reason(s) for the appeal.
2. The Provincial Tribunal shall, within thirty days, request the entire transcript of the trial and upon receipt of the transcript shall notify promptly all parties of the time and place for the hearing of the appeal which shall be within three months but not fewer than two months from the date of notification, unless agreed otherwise by all the parties.
3. The Provincial Tribunal shall render its decision on the appeal within thirty days of the hearing. The expenses of the appeal shall be paid by the appellant, unless the appellant is successful or the Provincial Tribunal orders otherwise.

Section 6 - Concerning the Process of the Appeal

1. The Provincial Tribunal shall hear the appeal based solely upon the record in the trial court. The parties may submit written briefs and may request oral argument. The Provincial Tribunal may reverse or affirm, in whole or in part, the appealed decision, or, if in its opinion justice shall require, may grant a new trial.
2. Should the appellant fail to appear for the hearing, the Provincial Tribunal shall, at its discretion, dismiss the appeal, or proceed to hear and determine the appeal.

Section 7 - Concerning Procedures

The Provincial Tribunal, the Court for Trial of a Bishop, the Court of Extraordinary Jurisdiction, and the Trial Courts of the several Dioceses shall establish their own procedures, to include the appointment of a recorder of proceedings. Such procedures shall acknowledge the presumption of innocence of the accused and the right to representation by counsel, and shall be consistent with principles of fairness, due process and natural justice and shall require expeditious handling consistent with those principles. No new rule of procedure shall be made while a matter is pending that would be affected by that rule. In all courts of original jurisdiction, the standard of proof shall be by clear and convincing evidence. Unless a higher standard is required by diocesan Canon for a Diocesan Trial Court, the affirmative vote of not fewer than a majority of the members of a Court shall be required for any determination by that Court.

Canon 6

Of a Member of the Clergy in Any Diocese Chargeable with Offense in Another

If a member of the Clergy belonging to any Diocese shall have conducted himself in another Diocese in such a manner as to be liable to presentment under the provisions of Canon 2, the Ecclesiastical Authority thereof shall give notice of the same to the Ecclesiastical Authority where the member of the Clergy is canonically resident, exhibiting, with the information given, reasonable ground for proceeding. If the Ecclesiastical Authority of the alleged offender, after due notice given, shall omit, for the space of three months, to proceed against the offending

TITLE IV

member of the Clergy, or shall request the Ecclesiastical Authority of the Diocese in which the offense or offenses are alleged to have been committed to proceed against him, it shall be within the power of the Ecclesiastical Authority of the Diocese within which the offense or offenses are alleged to have been committed to institute proceedings as provided by the canons of that Diocese.

Canon 7 Of Renunciation of Ministry

If a member of the Clergy making a declaration of renunciation of the ministry under Canon III.6.4, be under accusation or presentment for any canonical offense, or if they shall have been placed on trial for the same, the Ecclesiastical Authority to whom such declaration is made, shall not consider or act upon such declaration until after the accusation or presentment shall have been dismissed, or the trial shall have been concluded and sentence, if any, pronounced. If the Ecclesiastical Authority to whom such declaration is made shall have ground to suppose that the member of the Clergy making the same is liable to presentment for any canonical offense, such member of the Clergy may, in the discretion of the Ecclesiastical Authority, be placed on trial for such offense, notwithstanding such declaration of renunciation of the ministry.

Canon 8 Of Sentences

Section 1 - Concerning the Role of the Bishop in Sentencing

The Bishop alone has the authority to pronounce sentence on a Presbyter or Deacon convicted as indicated in these canons. If there is no Bishop, the Archbishop or another Bishop designated by the Archbishop shall pronounce sentence.

Section 2 - Concerning Pronouncement of Sentence

The College of Bishops, speaking through the Archbishop or his designate, has the sole responsibility and authority to pronounce sentence on a Bishop.

Section 3 - Concerning Range of Sentencing Sentence shall be:

1. Censure and/or admonishment;
2. Suspension, for a definite period, not to exceed five years;
3. Suspension for life; or
4. Deposition from the sacred ministry.

In addition, other measures for restoration of the accused may be required.

Section 4 - Concerning Length of Sentences

Upon a showing of good cause:

1. A sentence of suspension of a Presbyter or Deacon may be terminated or shortened by the Bishop of the Diocese in which the Presbyter or Deacon was convicted with the advice and consent of the Archbishop, in consultation with the Executive Committee;
2. A sentence of suspension of a Bishop may be terminated or shortened by the College of Bishops with the consent of the Archbishop.

TITLE IV

Canon 9 Of Inhibitions

Section 1 - *Concerning Inhibition of a Presbyter or Deacon*

A Bishop may temporarily inhibit a Presbyter or Deacon from the exercise of ministry when the Bishop believes, upon reasonable grounds, that the Presbyter or Deacon has engaged in conduct upon which a Presbyter or Deacon in this Church may be presented. With the advice and consent of the Standing Committee or its equivalent, such inhibition may be extended until such charge is dropped or action taken by a Trial Court. Upon application by a Presbyter or a Deacon who has been temporarily inhibited under this Canon and upon a showing of good cause, the Archbishop or his designate may modify or revoke the temporary inhibition. Such decision shall be rendered within thirty (30) days.

Section 2 - *Concerning Inhibition of a Bishop*

In the case of the presentment of a Bishop of this Church (including the Archbishop), three of the five senior members of the College of Bishops by date of consecration (exclusive of any bishop involved in the presentment or trial) may, by their affirmative vote, temporarily inhibit the Bishop from the exercise of ministry. Such inhibition shall be in writing, signed by those consenting to it.

Canon 10 Of Notification of Disciplinary Action Taken

The Bishop or Archbishop pronouncing sentence shall within thirty (30) days of the sentence notify the Provincial Secretary who shall notify all Bishops with jurisdiction and shall maintain a permanent record of the action. Should a sentence be amended or terminated, notification of that action shall also be reported to the Provincial Secretary who shall promptly give notice of and record the amendment or termination in the permanent record.

TITLE V

Enactment, Amendment, and Repeal of Canons

Canon 1 *Of Enactment, Amendment, and Repeal*

Section 1 - Concerning New Canons

No new canon shall be enacted or existing canon amended or repealed, except by majority vote of the Provincial Council and ratification of such action by majority vote of the Provincial Assembly.

Section 2 - Concerning the Repealing of Canons

Whenever a canon which repeals another canon, or part thereof, shall itself be repealed, such previous canon or part thereof shall not thereby be revived or re-enacted without express provision to that effect.

Section 3 - Concerning the Form of Amendment

The following form shall be used in all cases of enactment or amendment of existing canons: “Title ___, Canon ___, Section ___ is hereby [enacted] [amended] to read as follows: [Here insert the new reading].”

In the event of the insertion of a new canon, or of a new section or clause in a canon, the numbering of the canons or divisions of a canon which follow shall be changed accordingly.

Section 4 - Concerning the Form of Repeal

The following form shall be used in all cases for the repeal of a canon:

“Title ___, Canon ___, Section ___ [or Canon ___ in its entirety] is hereby repealed.”

In the event of the repeal of a canon, or of a section or clause in a canon, the numbering of the canons or divisions of a canon which follow shall be changed accordingly.

Section 5 - Concerning Effective Dates

Any amendment to these canons, or repeal thereof, shall not become effective until ninety (90) days following ratification by the Provincial Assembly. In the case of the adoption of the initial set of canons by the inaugural Assembly, such canons shall become effective immediately upon their ratification by majority vote of the Assembly.

Anglican Church in North America (ACNA)

Guidelines for Submitting an Application Form to the Provincial Council for Recognition as a New Diocese/Cluster/Network or as a Diocese/Cluster/Network “In Formation”

January to April, 2009

Step one is to obtain an application form and application guidelines, which can be downloaded at the ACNA website (www.anglicanchurch-na.org). Please bear in mind the following principles as you pray over your application.

Principles for the Application Process for New Diocese/Cluster/Network:

In this season of new beginnings, we ask each group applying for recognition as a diocese, cluster or network of the Anglican Church in North America to commit to the following principles:

1. The new province is committed to organizing itself around the historic principle that parishes form around a bishop. Simultaneously, it recognizes that either geographic proximity or affinities because of relationship are equally valid ways of practicing that principle. The additional principles that follow are designed to respect the choice of each congregation for either affinity or geography as its organizing principle.
2. The application process will be open to the whole of the province of ACNA from the start of each application. The purpose of this principle of openness is so that each congregation and church-start in the area of the group may be invited to participate and so that the whole Provincial Council will be informed of all congregations being invited to consider participation in a new grouping.
3. The leadership of each group applying will practice the principles of invitation and blessing. The principle of invitation refers to the attitude and practice of inviting every congregation and church-start to come and participate fully in the organizing of the proposed new diocese, cluster or network. The principle of blessing means that we are all committed to bless any congregation choosing to remain in its existing jurisdiction rather than participate in a new group.
4. Each congregation commits to openness with its existing bishop/jurisdiction concerning its participation in the formation of the diocese/cluster/network that, if accomplished, might have the effect of removing that congregation from its present affiliation with that bishop/jurisdiction.
5. In the early work of the Province it is anticipated that some congregations are making a preliminary affiliation, subject to subsequent realignment for emerging new missionary reasons as new congregations and new dioceses/clusters/networks emerge.
6. Bishops and priests who are leading groups that are considering application to form new dioceses/ clusters/networks will promptly notify other bishops with churches in the area considered after determining which congregations will be invited to participate in organizing a new grouping.
7. Bishops and priests who are leading existing or potential dioceses/clusters/networks should take geographical considerations into account so that regional ministry is encouraged.

Step two is to consider the counsel provided in these guidelines to assist you in filling out the application form. The guidelines are keyed to each item on the application form.

APPLICANT INFORMATION

1. **Recognition Sought.** Canon I.5.1 specifies that a diocese, cluster or network is a grouping gathered for mission under the oversight of a bishop consisting of a minimum of twelve congregations with an ASA of at least 50 each and a collective ASA of at least 1,000. Canon I.5.1 notes, however, that a grouping not meeting these minimum specifications may be recognized on a case-by-case basis at the discretion of the Provincial Council. Therefore, each potential grouping must decide whether it meets the normal minimal standards as stated above, or whether it might qualify as an exception to policy based on other considerations (See 8 below.), or if it might more appropriately apply as a grouping “In Formation.” Note also that Article II of the Constitution specifies that new groupings (dioceses, clusters or networks) can be either regional or affinity based.
2. **Proposed Name.** For the sake of consistency, the form of the name shall be “The Diocese of _____,” “The _____ Network,” or “The _____ Cluster.” Names may be geographical such as “Pittsburgh” or “the Mid West,” symbolic such as “Forward in Faith” or “Living Waters,” or for a saint such as “St. Stephen” or “St. James.” Proposing an alternative name is suggested in the event that Provincial Council is aware that the first proposed name is already taken by another ACNA entity or is deemed inappropriate for other good reason.
3. **Recommended Nominees.** All groupings are to be united by a bishop (Article IV) except those “In Formation,” which may be led by a Vicar General at the discretion of the Archbishop (Canon I.5.6). The College of Bishops has authority in the election of bishops as set out in Article X.5. Canon I.5.5 states that the application shall contain the name of the recommended nominee or nominees for Bishop. In the case of a newly formed originating body, Canon III.8.4.3 states that that body shall normally nominate two or three candidates. In the case of a single nominee the College may grant consent for his consecration, or in the case of multiple nominees the College may choose one and grant consent for his consecration (Article X). Canon III.8.3 provides further criteria for the episcopate, to include the stipulation that an eligible candidate for bishop will be a duly ordained male presbyter of at least 35 years of age.
4. **Name/Phone/Email Address of Primary Contact.** This individual will serve as the primary point of contact if the Provincial Council needs further information or clarification.

Note that the information requested in Items 5-12 should be provided on attached pages.

5. **Summary History and Mission.** This section provides an opportunity for groupings to give a brief summary of how and when they came together and how they’ve progressed over time with regard to local mission, ministry, governance, fellowship, discipleship, and common worship. It will be most helpful to include evidence of ministry that is bearing fruit in terms of souls coming to know Christ, congregations being planted, aspirants for Holy Orders being raised up, discipleship going deeper, and future plans. Again, this section need not be lengthy.

6. **Legal Status.** Each grouping of congregations should obtain 501(c)(3) status at the group level even if constituent congregations have their own non-profit status. Each congregation will want to have non-profit status if it intends to own property. Information on the status of group and constituent congregation insurance programs will be helpful. Also useful will be information on grouping and constituent congregation constitution and canons, by-laws, or other governing documents. It is not necessary to attach such documents to this application. Article IV recognized the right of each grouping to establish and maintain its own governance, constitution and canons not inconsistent with the provisions of the Constitution and Canons of the Province. While not required at this time, future canons may require each grouping to write a constitution and canons in support of the Provincial Constitution and Canons.
7. **Group and Constituent Congregations ASA (average Sunday attendance for all Sundays).**
 - a. Give the total number of congregations with an ASA of 50 or more, and their current Anglican affiliations. Also, provide the name, location, and name of rector for each of these congregations.
 - b. Identify every other congregation in the grouping by name, location, name of rector, ASA, and current Anglican affiliation.
 - c. Only the total ASA for the entire grouping is required here. Count all congregations to include both those over and under an ASA of 50.
8. **Request for Waiver of Canon I.5.1 Standards.** As stated in 1 above, Canon I.5.1 provides for a possible exception to standards for those groupings that may fall short of the numerical standards and yet by virtue of other factors believe that they should not be placed in the temporary “In Formation” status. This section provides the opportunity to describe other factors that the Provincial Council might consider in granting full status as an exception to numerical standards. Such factors could include such matters as falling a bit short of twelve congregations with an ASA of 50 but having a collective ASA well above 1,000 or perhaps falling a bit short in both categories but demonstrating outstanding fruit in areas of evangelism, church planting and congregational growth.
9. **Vestry Verification.**
 - d. This is a simple certification statement that the vestry or comparable governing board of each congregation in the grouping has officially subscribed to the Constitution and Canons of the Anglican Church in North America.
 - e. This too is a certification statement that each constituent congregation has notified its domestic bishop, or overseas bishop if that congregation does not have a domestic bishop, of intention to change jurisdiction by becoming part of a new grouping that will receive its own bishop. By endorsing the Constitution and Canons, the ACNA bishops have already granted permission for their congregations to enter into new groupings. Therefore, while only notification rather than permission is required, it is only prudent, godly, and gracious for each congregation to discuss this matter with its bishop prior to a decision to become part of a new grouping. Note however, that approval of an application for recognition as a new ACNA grouping would not in and of itself constitute actual release and transfer from an overseas jurisdiction. Such actual release

and transfer can come only when the appropriate overseas jurisdictional bishops have in fact granted said release and transfer. Note that as stated in Principle 2 above, no congregation is required to join a new grouping to be a member of the ACNA. A congregation may remain in its existing jurisdiction. Congregations that choose to remain under the overseas jurisdictions of Kenya, Uganda, and the Southern Cone are considered members of the Province by virtue of belonging to the Missionary Convocations of Kenya, Uganda, and the Southern Cone as stated in Article II. However, it should be noted that overseas jurisdiction has always been intended to be temporary, and the time may be approaching when overseas bishops will release their congregations to the jurisdiction of the ACNA and those congregations will then need to transfer to some grouping (diocese, cluster or network) within the ACNA.

10. **Budget.** Article XIII states that each grouping agrees to share in the cost of operating the Province as provided by canon. Canon I.9 states that the biblical principles of tithing shall be taught and encouraged at every level within the Province. While acknowledging the tithe as the underlying principle of the new province, it is accepted that some ACNA jurisdictions already have a giving procedure in place that cannot be immediately altered easily. Permission is therefore given to continue those current systems of giving that it is understood must stay in place for now, but with intentional steps and designs in place to move into the uniformity of the tithe as the standard for all the province. Congregations moving into new groupings are encouraged to give ten percent of local income to the new grouping, while each new grouping is encouraged to give ten percent of group income to the support of the cost of operating the Province. Each grouping therefore should describe in this section its current and proposed budget and the procedures and levels for congregational financial support of the grouping. A key concern should be to demonstrate plans for the support of the office of the local bishop, who will need minimal staffing, compensation, and operational funds even if part of his support comes from his position as rector of a parish. Although the tithe is encouraged at all levels, giving levels are voluntary. There will be some as yet undetermined time of transition with regard to giving to overseas provinces. Their fellowship, godly oversight, and mutual ministry are some of the greatest gifts we have received during these last few years. All ACNA groupings and congregations are expected to further develop the depth of Mission Partnerships with our overseas brothers and sisters. Financial support to them will need to transition from the tithe portion of budgets to the world missions/outreach portion of budgets.
