

**2015 REPORT OF THE COMMITTEE ON CONSTITUTION & CANONS**

The Committee on Constitution and Canons presents the following recommendation for additions to or amendments of the Constitution or Canons of the Diocese:

The Repeal of Canon 12 pertaining to the election of Trustees for the University of the South.

Respectfully submitted,

R. David Weaver, Chair  
Committee on Constitution & Canons

Explanation: The University continues to be affiliated with The Episcopal Church, of which the Diocese is no longer a part. Therefore, the Diocese does not intend to elect Trustees to serve on the university's board.
